2. [redacted] In response to his request on behalf of Senator Dirksen, forwarded the Agency employment brochure to Sam Scott, Senate Subcommittee on Internal Security.

25X1

4. [redacted] Met with Messrs. Kelleher and Blandford, House Armed Services Committee staff, responding to the three questions: (a) intelligence views on nuclear weapons in orbiting satellites; (b) Soviet developments in MIRV; and (c) current intelligence views on ICBMs on launcher. The answers were in accord with information previously furnished by [redacted]

Mr. Blandford also inquired when they would receive the response to the questionnaire enclosed in the Rivers/Bates letter. I indicated hopefully this would be tomorrow. I again attempted to caution Mr. Blandford on drawing quick and sweeping conclusions without some very careful work from the staff.
